Quality

When it comes to corporate gift-giving, sales incentive, and customer appreciation programs, Mountain State Meats and Catering is the perfect choice. Mountain State Meats is known for providing the absolute best and freshest hams, beef, pork, poultry, and lamb. Our insistence on absolute quality is our hallmark.

Convenience

Planning any size gift program is simple to implement, and every aspect of your program will be customized to your specific needs. Once you've selected your gifts, it's a simple matter to set up your program- even if it includes multiple orders to multiple locations and even for multiple delivery dates. Most programs can be put together with a minimum of fuss and muss on your part- all we usually need is a spreadsheet of your gift list and ship-to or deliver-to information.

Customizable

We're here to help you. We offer a wide array of gift-giving options to accommodate any size budget, occasion, or circumstance-everything you need to organize holiday gift-giving, sales incentive, or appreciation programs, but if what you see doesn't meet your needs, contact us, and we'll work together to create a plan that works for you.

Corporate Catering

Nothing says "Great Job!" or "Thank You!" like a catered lunch or dinner for your clients, customers, employees, or VIP contacts. Let us customize a menu for you to celebrate excellence or just to say, "Thank you." Mountain State Meats and Catering specializes in new American cuisine-classic flavors with new twists. Check out our menu or let us create a customized menu to "*meat*" your needs.
